booking of cargo, or preparation of documents.

(33) Consideration of agreements pertaining to credit rules.

(34) Consideration of agreements involving performance bonds to a conference from a conference member guaranteeing compliance by the member with the rules and regulations of the conference.

(35) Consideration of agreements between members of two or more conferences or other rate-fixing agreements to discuss and agree upon common self-policing systems and cargo inspection services.

(b) If interested persons allege that a categorically-excluded action will have a significant environmental effect (e.g., increased or decreased air, water or noise pollution; use of recyclables; use of fossil fuels or energy), they shall, by written submission to the Secretary, explain in detail their reasons. The Secretary shall refer these submissions for determination by the appropriate Commission official, not later than ten (10) days after receipt, whether to prepare an environmental assessment. Upon a determination not to prepare an environmental assessment, such persons may petition the Commission for review of the decision within ten (10) days of receipt of notice of such determination.

(c) If the individual or cumulative effect of a particular action otherwise categorically excluded offers a reasonable potential of having a significant environmental impact, an environmental assessment shall be prepared pursuant to § 504.5.

§ 504.6 Finding of no significant impact.

(a) If upon completion of an environmental assessment, it is determined that a potential or proposed action will not have a significant impact on the quality of the human environment of the United States or of the global commons, a finding of no significant impact shall be prepared and notice of its availability published in the FEDERAL REGISTER. This document shall include the environmental assessment or a summary of it, and shall briefly present the reasons why the potential or proposed action, not otherwise excluded under § 504.4, will not have a significant effect on the human environment and why, therefore, an environmental impact statement (EIS) will not be prepared.

(b) Petitions for review of a finding of no significant impact must be received by the Commission within ten (10) days from the date of publication of the notice of its availability in the FEDERAL REGISTER. The Commission shall review the petitions and either deny them or order prepared an EIS pursuant to § 504.7. The Commission shall, within ten (10) days of receipt of the petition, serve copies of its order upon all parties who filed comments concerning the potential or proposed action or who filed petitions for review.
